HAPPY
Father's Day

MORNING PRAYER FOR FATHER'S DAY

(Leader) Let us pray for fathers who have striven to balance the demands of work, marriage, and children with an honest awareness of both joy and sacrifice.

(All) Heavenly Father, today we ask You to bless our earthly fathers for the many times they reflected the love, strength, generosity, wisdom and mercy that You exemplify in Your relationship with us, Your children.

This day we honor You and our fathers for putting our needs above their own convenience and comfort; for teaching us to show courage and determination in the face of adversity; for challenging us to move beyond self-limiting boundaries; for modeling the qualities that would turn us into responsible, principled, caring adults.

Fatherhood does not come with a manual, and reality teaches us that some fathers excel while others fail.

We ask for Your blessings for them all and forgiveness where it is needed.

We ask Your blessing on those men and women who served as father figures in our lives when our biological fathers weren't able to do so. May the love and selflessness they showed us be returned to them in all their relationships, and help them to know that their influence has changed us for the better.

Give new and future fathers the guidance they need to raise happy and holy children, grounded in a love for God and other people - and remind these fathers that treating everyone with dignity, compassion and respect is one of the greatest gifts they can give to their children.

In union with Your Son, we ask Your generous blessings today and every day. Amen.
